

Before we get to the newsletter content, a word of thanks and good will.

Thank you to our graduated seniors. Thank you for everything you brought to the band and your community. Good luck in all you do and remember, band is family...always. To the parents of our graduated seniors, thank you. Thank you for all the time, energy and effort. If you get a bit "homesick", the door is open to you at our volunteer events and band performances. I wish you all well.

New President

First a thank you to Mark Burnham for 6+ years of service and his offer to remain available while I attempt to step into his shoes. My name is Duane Johnson, and I am available for your questions at president@brightonbandboosters.org. I look forward to helping when and where I can.

Band Camp

Thank you to everyone who volunteered to chaperone or provide medical care at band camp. At this time, everyone who has been selected to attend has been notified and should reconfirm their participation with Laura Burnham (bandcamp@brightonbandboosters.org) if they have not already done so.

We are still looking for two parents who are interested in running band camp. Please reach out to Laura Burnham or Mike Wisbiski if interested in learning more about this role.

Band Camp cost is \$400 which can be mailed to Christi Re or for PayPal invoice, send an email request to payments@brightonbandboosters.org

Volunteer Opportunities

Uniform Fitting: August 15th and 16th

We have slots available. Those with experience with hemming, sewing, and measuring for fit, are most welcomed! <https://www.signupgenius.com/go/5080A4BAEAA22A5FF2-bhsmarching2>

Family Picnic: August 19th We have many open slots available. Please consider attending and signing up to lend a hand. <https://www.signupgenius.com/go/5080A4BAEAA22A5FF2-20221>

JV Football: August 24th The first game for JV occurs while the students are still at camp. Parents are needed!! Slots are available. <https://www.signupgenius.com/go/5080A4BAEAA22A5FF2-2022>

Thanks again - Duane Johnson, President, Brighton Band Boosters
