

Good evening!

I hope everyone is having a wonderful Memorial Day. The Band did a great job today, and we even had a flyover by a WWII bomber! As we say goodbye and thank you to our Seniors, we are also excited to be preparing for the upcoming band season. We have several items to cover today and ask that you read this newsletter all the way to the end.

### **Final Instrument and Music Turn-in**

School instruments and music from underclassmen will be collected this week after scale testing. Please bring music and instrument every day.

### **Band Camp Chaperones Needed**

We need both men and women who are willing and able to spend a week as a cabin parent and/or as medical staff at YMCA Camp Nissokone (near Oscoda, MI) with our BHS Marching Band, August 21-27, 2022. You do not need to know how to play an instrument or march - you just have to be willing to be the adult in charge of a cabin of high school band students or if interested in being medical staff, take care of routine medical needs and injuries. Chaperones must have a sense of humor, patience, know how to be firm when needed, and be willing to help students with whatever needs arise. You will be asked to complete a background check application (district policy).

***If you are interested in applying to be a chaperone or medical staff, you must complete this [Google FORM](#) by June 9, 2022, to be considered.***

You will be notified by the end of June if you have been selected to attend camp. Questions about being a chaperone or medical staff at camp can be directed to Laura Burnham at [bandcamp@brightonbandboosters.org](mailto:bandcamp@brightonbandboosters.org).
