Upcoming Leadership Positions

We want to bring to your attention to some important leadership positions that will need filling for next year. These positions are posted now, so those stepping up to fill these roles may learn from those currently in the roles to ensure a smooth handoff.

1. *Website/email fan out* - Thank you, Tina Macintosh, for stepping up to fill this important role.

2. *Band Camp Coordinators (2)*

(Administrative Lead and Head Camp Counselor) Burnham and Mike Wisbiki for one year, and they will shadow you the second year. You will have two full years of training and support. Because of the long lead time, we are looking for parents who will be with the band program for at least four years, preferably longer, so there is continuity. This week, specific job descriptions for these positions will be shared under a separate email. Interested parents will be invited to a casual meeting to discuss the role in March. If you are interested or know someone who might be, please email Laura at admin@brightonbandboosters.org for meeting information.

3. *President*

After five years of service, it is time for me to step down as President. I had intended to stay on for another year, but as my work travel is starting to return, the time I have available to devote to this role is diminishing quickly. Therefore, I have decided that it would be best to transition this year and be available to assist the new President as needed. It has been an honor to serve, and I am looking forward to a wonderful couple more years being around the program. I will also put out a job description in the next couple of weeks.

4. *Secretary*

The role of the Secretary is essential to ensure proper minutes of meetings, and official correspondence is maintained.

What is essential for parents to understand is that these roles are absolutely critical to ensuring the band program is a continued success. This band changes lives, and we can all be proud of what we built together. We are not simply walking away but rather starting the long transition to ensure success. We know it seems daunting, and you may feel you don't know enough - we will teach you and be there to support you. In the meantime, what's most important is that we have someone step up for each role who is willing to ensure this program continues to be the special program it is.

Laundry Detergent Fundraiser

Congratulations team. We sold 66 buckets of Laundry Soap. I am still awaiting a shipping date, but it should only be a matter of days before I can tell you when to pick it up. Students earned \$12 per bucket. I am compiling the spreadsheet presently and will share it with the treasurers early this week.

Mattress Sale Fundraiser

Brighton High School Bands are hosting a one-day Mattress Fundraiser on Sunday, March 13, from 11 am - 4 pm. There will be over 25 beds on display for customers to try. The brand-name mattresses are made to order, have full factory warranties, are available in all sizes, and are priced below retail. In addition to beds, there will also be luxury pillows and even adjustable power bases! Delivery & financing is available. Students will earn between \$25-\$200 for their account per bed sold, depending on the size and type of bed sold.

Thanks to everyone who attended the zoom call last week. The flyer is linked below. Now is the time to tell everyone that you are selling mattresses.

Marching Band Uniform Turn-In/Volunteers

We will be collecting all Marching uniforms on March 15 to get them cleaned and packed for the trip to Disney. All students need to turn in their marching uniforms regardless of whether they are traveling to Florida. Students will turn in their uniforms during class.

Parent Volunteers are needed.

We need a few parents to assist with the turn-in process. Please sign up to help here: <https://www.signupgenius.com/go/5080a4baeaa22a5ff2-marching2>

Thank you for all you do for our bands.
